

E&H FOUNDATION

E&H Foundation was set up in 2012 with a vision to provide free quality education and healthcare to the underprivileged children with focus in Uttar Pradesh and Bihar.

So far **E&H Foundation** has enabled quality education to **more than 30,000 underprivileged children** with focus on attaining grade appropriate learning . .

"Think Big - Start Small - Scale Fast"

Mission

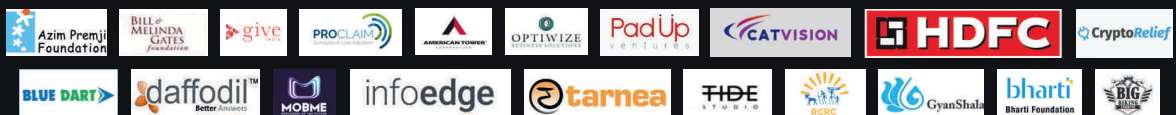

To provide **quality education to 100,000 children by 2030** in 15 clusters/districts in Uttar Pradesh and Bihar, India with the help of various models.

Target Group

Children from **Classes 1 to 10** in Government schools in rural and urban locations across India, with key focus states being **Uttar Pradesh and Bihar**.

Our Partners

THE NEED TO CHAMPION EDUCATION IN UTTAR PRADESH AND BIHAR

- Significantly the literacy level in the urban areas in **Uttar Pradesh is lowest in India amongst 35 states and Union Territories.**
- Further UP's literacy rate amongst females in rural areas is extremely low at **55.6% and in urban areas is 71.7%** (ranked 3rd from bottom) after Jammu and Kashmir and Rajasthan
- As per **Annual Status of Education Report (ASER) 2016, 57% of the STD 5 children in UP and 58% of the STD 5 children in Bihar** cannot read STD 2 Hindi textbooks.

JOURNEY SO FAR

- **Remarkable Academic Performance**
Independent assessments reveal that children educated through models backed by the E&H Foundation score 100-150% higher marks than their peers in government schools.
- **High Attendance Rates**
we have achieved an average attendance rate of approximately 70%, a commendable figure given the vulnerable communities we engage with.
- **Serving First Generation Learners**
A significant proportion (at least 80%) of the children we serve, about half of whom are girls, are first generation learners hailing from the most distressed families
- **Focus on Impoverished Areas**
Our schools and classes are strategically located in the poorest districts, including slums and basis in urban regions, and remote villages in rural areas.
- **Cost-Effective Education**
outcomes are achieved at one-third of the average cost of government school education

OUR PROGRAMS

- The **peer learning initiative involved 85 student leaders**, teaching **568 students (294-girls, 274-boys)** voluntarily in 2022-23 and **140 student leaders**, teaching **738 students (397-girls, 341-boys)** voluntarily in 2023-24 fostering community-based education.
- Our **Back-to-School Campaign in 50 government schools** with the help of school teachers, engaged **4,500 children** through rallies and door-to-door campaigns, successfully reintegrating **650 students** back into formal education.
- In partnership with **Gyan Shala**, we educated around **7,000 students in Uttar Pradesh and Bihar**, achieving a 70% grade-appropriate learning rate and maintaining a 75% attendance, with a significant enrolment of girls - **49% in Uttar Pradesh and 53% in Bihar.**

SCHOLARSHIP PROGRAM

- We also helped **70 students with Vidhyadhan scholarships** enabling them to continue their education without financial constraints.

KEY IMPACT

50%

Beneficiaries are girls

80% of the

children beneficiaries are the first generation learners.

Our Pedagogy intervention ensured a score of

100-150%

higher marks than their peers in government schools.

66% Lower cost compared to government run program

higher average Attendance Rate of approximately **70%** compared to peers

100% focus on Community, Parents engagement
